CAREER SUMMARY

Electronics and Communication Engineering (ECE) student with a strong interest in Software Development, PCB Design, Embedded Systems, and IoT technologies. Passionate about developing innovative solutions through programming and hardware design. Seeking an opportunity to apply my technical skills, enhance my professional experience, and contribute to organizational growth while continuously learning and advancing in the field of technology.

EXPERTISE

Software Development | PCB Design & Layout | Embedded Systems | Internet of Things (IoT) | Front-End Web Development (HTML, CSS, JavaScript) | Arduino & Microcontroller Programming | Circuit Design & Analysis | Technical Documentation | Problem Solving & Critical Thinking | Team Leadership & Communication

TECHNICAL SKILLS

Programming Languages: C, Python, JavaScript.

Web Technologies: HTML5, CSS3, JavaScript, Responsive Web Design.

PCB Design Tools: Ki-Cad, Proteus, Eagle PCB.

Embedded Systems : Arduino, Microcontrollers, Sensor Interfacing.

IoT Technologies: IoT Sensor Networks, Smart Automation Systems.

Software & Tools: Git, GitHub, VS Code.

Core Competencies: PCB Layout Design, Circuit Design & Analysis, Embedded Programming, Hardware Troubleshooting, Technical Documentation.

PROFESSIONAL EXPERIENCE

1.EV BATTERY MANAGEMENT SYSTEM | Mechnido Jun 2025 – July 2025

Successfully completed a 1-month internship on Electric Vehicle Battery Management Systems (BMS). Gained practical knowledge in battery monitoring, cell balancing, State of Charge (SOC) estimation, battery protection techniques, and EV power management.

Duration: 1 Month

Skills Gained: Battery Monitoring, Cell Balancing, SOC Estimation, EV Technology, Power Management Systems

2.SOFTWARE DEVELOPMENT INTERN | Code Core Global Hi-Tech Solutions Dec 2025 – Jun 2026

Completed a 6-month internship focused on front-end web development. Worked on designing and developing responsive websites, improving user interfaces, and implementing interactive web features.

Duration: 6 Months

Technologies Used: HTML, CSS, JavaScript, Node.js, MySQL, GitHub.

SOFTWARE PROJECTS

1.E-Commerce Website:

Developed a responsive e-commerce web application with product listings, shopping cart functionality, category filtering, search features, and user-friendly navigation.

Features: Product Catalog, Shopping Cart, Search, Responsive Design

Tech Stack: HTML, CSS, JavaScript

2. Notes Web Application:

Developed a responsive notes management application allowing users to create, edit, delete and organize notes.

Features: Create Notes, Edit Notes, Delete Notes, Local Storage

Tech Stack: HTML, CSS, JavaScript

3. Portfolio Website

Designed and developed a personal portfolio website showcasing projects, skills, achievements and experience with a modern responsive UI.

Features: Responsive Design, Project Showcase, Contact Section

Tech Stack: HTML, CSS, JavaScript

4. Student Management System

Developed a web application to manage student records, attendance tracking and academic information efficiently.

Features: Student Records, Attendance, Data Management

Tech Stack: HTML, CSS, JavaScript

HARDWARE PROJECTS

Smart Helmet with Airbag - IoT based rider safety system with automatic airbag deployment .In progress.

Smart Irrigation System - Automated irrigation using IoT sensors and real-time monitoring.

AI Trash Separator - AI based waste classification using image processing.

EDUCATION

B.E. Electronics and Communication Engineering Institution: PPG Institute of Technology, Coimbatore	CGPA: 7.91	2023-2027
Higher Secondary Education (12th) School: Government Girls Higher Secondary School, Pennagaram	83%	2021-2023
Secondary School Education (10th) School: Government Girls Higher Secondary School, Pennagaram	NA	2019-2021

INTERESTS

Software Development | PCB Design | Embedded Systems | Software Development and Emerging Technologies | Problem Solving and Technical Innovation

DECLARATION

I hereby declare that all the information provided above is true and correct to the best of my knowledge and belief.

Place :Coimbatore
